BREAKING THROUGH BOUNDARIES

## WHAT IS NLP?

Neuro Linguistic Programming is a set of powerful tools and techniques that is used to influence people and communicate with people to have a life of happiness, empowerment, health, wealth and results.

## WHY WE NEED NLP?

### IMPROVED LEADERSHIP & INFLUENCE

NLP develops all areas of our life, including leadership, better communication, conflict prevention & resolution, influence, decision making, increase EQ, goal setting and much more.

### GROW YOUR BUSINESS OR CAREER

Whether you're a business owner, leader or executive, NLP tools are guaranteed to improve your chances of promotion, or will directly & positively affect your team & business.

### CREATE AWESOME LOVE & RELATIONSHIP

Whether you want to improve your relationship, romantic or professional, as you learn these NLP skills, you not only learn to communicate better, you will learn to let go of your negative emotions in your life that prevents you from having great relationships with people.

### MANAGE CHALLENGING PEOPLE

Unlock the 'toolbox' full of leadership & coaching tools, techniques, templates, systems, & processes that allow you to create change in your teams & clients and manage those challenging ones.

## HOW CAN NLP HELP YOU?

### MINDSET OF SUCCESS

Become the best versions of yourself, Master your life, build relationships, achieve goals effortlessly.

### 32 PLUS TOOLS AND TECHNIQUES

Be better by equipping yourself with the tools and techniques of NLP. Accelerate your own performance that allows you to create instant positive change in you or your team. Differentiate yourself from others and communicate with all level of people.

### DISCOVER CLARITY

Discover yourself, your vision, purpose, values and beliefs. Learn how successful people are successful and how they do it!

## WHO SHOULD ATTEND?

### ANYONE AND EVERYONE

Anyone and everyone who is interested in personal development. If you are interested in taking your personal development to a whole new spectrum, the NLP tools and techniques that you learn will accelerate your learning abilities and performance.

### PROFESSIONAL COACH, TRAINERS AND MENTORS

If you want to be a professional coach, mentor or just want to help people to achieve their dreams & goals in life, attending this program will give you the presentation skills, techniques and other tools to guide others to achieve success and happiness.

### BUSINESS OWNERS, CEOs, MANAGERS, SENIOR EXECUTIVES

If you want to accelerate your business, increase sales, be an excellent negotiator, coaching your employees, or just want to get your promotion and move to the next level of your career, the certified NLP training will give you the right competencies and spur your performance.

### WHAT PEOPLE SAY

*It's good for both career advancement and personal development.*

*I learned a better and more effective way to communicate, I learned how to observe and use body language to build rapport.*

*I believe this program has benefited me to help my clients as well as myself to change the way of thinking and behaving to be more successful and to achieve goals that are set.*

— Deborah Priya, Psychology Officer at PDRM, Hypnotherapist, Counsellor  
(Certified NLP Practitioner Jun 2019)

# Course Outline

## NLP Master Practitioner Training Outline

### DAY 1 & 2: Focus Shift & Coaching Breakthrough Session

By changing our focus we will change our lives completely. Sometimes our lives tend to tunnel vision into one specific area and we entirely ignore what other potentials or opportunity. With the ability to learn more of our conscious mind, you will become aware of these possibilities and create awesome re results.

You will learn how to strategically conduct a 'real life' coaching session with proven set of questions to clarify obstacles that prevent individuals or organizations from achieving what they want.

### DAY 3 & 4: Releasing Negative Emotions & Reprogram Limiting Beliefs

STOP being a prisoner of your own negative emotions. Learn a powerful and quick techniques to fully remove all negative emotions include anger, sadness, fear, hurt and guilt. Limiting beliefs and limiting decisions are obstacles that prevents you from creating the future you want. This program runs at unconscious level. As we remove them, we install the new empowering decision which will assist you to unleash your full potential.

### DAY 5: Your Values - Your Priority In Life

Discover what motivates you, what constitutes your personal conscious and unconscious source of ethics and fulfillment. Learn how to identify the values which do not serve and support you anymore. Identify and get rid of unconscious values conflicts. How to change values so that they support your desires and growth

### DAY 6: Mechanics of Personality

Who we are and why we are all different? It starts with self awareness. You will discover different personality types, it's strength and weakness. You can then begin to identify your personal preferences and discover the similarities and differences from those closest to you. Now you can learn how you can motivate and harness the best potential in yourself and others.

### DAY 7: Quantum Linguistics - conversational change

Good communication is a key to any success. Discover how easy it is to change limiting beliefs unobtrusively, during conversation. You also will learn 16 ways of answering any kind of objection, to enhance your negotiation skills.

### DAY 8: Strategies - Create The Life Of Your Dream

Different people has different strategy to do things, so does successful ones. In any area of life that you want to improve, you will learn how to model excellence in others and then install the model in yourself, how to create a training program to install models of excellence and how to take control of your own inner stragies to create the life of your dream.
